

Internet Encyclopedia of Philosophy

A Peer-Reviewed Academic Resource

*Qualified authors are
needed for selected articles.*

The IEP is a peer-reviewed, English language, free encyclopedia. It currently has about 750 articles, and each month it is visited by approximately 1,000,000 readers. The staff of 30 editors and approximately 700 authors hold doctorate degrees

and are professors at colleges and universities around the world.

Click the "Submissions" button at www.iep.utm.edu for the submission process, plus a list of the 100 most desired articles, and additional lists of desired articles in each of 30 sub-areas of philosophy
